Dear Parents, Students & Well-wishers of the SPS family,
My Heartiest Greetings to All of You!

First and foremost, I would like to express my deep sentiments of gratitude to every one of you for your constant support, love and concern towards the school which encourage us to strive hard to carry forward the mission of spreading value-based knowledge to one and all.

Converting every individual into a self-reliant and independent citizen, our school provides an amalgam of scholastic and co-scholastic activities. The variety and creativity of the articles in this E-newsletter represent the talents of Sarafians. I congratulate the entire team for their hard work and dedication for making this E-newsletter. The reflection of the students and teachers' creativity is the epitome of this E-newsletter.

It gives me immense pleasure to share that Saraf Public School has once again awarded the best school in this entire region by the Magazine 'Education World'.

I also want to mention that three students of our school have been selected to give demo of their project at one of the most prestigious institutions IIT, Kharagpur.

It would be unfair if I miss out the name of Mahima Joshi of grade 8th who got selected at National Level in Hindi Olympiad and received award in Delhi at Trimurti Bhawan along with the Hindi teacher Ms. Geeta Rai.

I take this opportunity to welcome Mr. Kultar Singh, Admin. Officer, Ms. Sangeeta Batra, a Computer Teacher and Mr. Asim in accounts department as an integral part of Saraf Family.

STUDENTS' PEN CORNER

TALE OF A GALLANTRY WINNER

Standing over the sky
 I saw the procession passing by
 Gazing upon their numb eyes
 I could feel their sacrifice.
 This is the tale of Gallantry Winner
 Who punished the sinner
 Of those who died on battlefield
 While piercing the enemy's shield.
 They were the heroes who were born
 They were those who got all worn and torn
 They were those who never fled
 Destroyed the enemy with the courage they lead.
 Even before death they were brave
 It was thorny path that they paved
 This is the tale of Gallantry Winner
 Who for country's sake punished the sinner.
 They were strong men with dating heart
 They were people with soldier's caste
 For them their country came first
 Left for border, left other worldly thirst.
 Now I'm gonna tell about one
 Named Vikram Batra, mother India's son
 Joined as officer in Indian army
 Fought Kargil without thinking how it'll harm me.
 He did all his best and fight
 He was in a spot that was tight
 To protect India was in his mind
 Fought even if it was against time.
 He was in so much pain
 But it didn't go in vain
 He became a teacher
 To become like him I picture.
 Watching the procession passing by
 Even I wanted tooth for tooth and eye for eye
 His death never haunt
 To become like him is all now I want.
 He motivated me so much
 That army became my crush
 His sacrifice motivates all mortals
 And he became my role model.
 At last it was a tale of a Gallantry Winner
 Who punished the sinner
 He died on the battlefield
 While piercing the enemy's shield.

TALE OF A TEENAGER

"Oh God! Look at her. I think she's suffering from an eating disorder."
 Have you seen that boy? It seems that he's eating too much these days." "She does not seem to have any friends. Probably she is rude and mean. "Have you ever read any of these comments? Yes, I have heard those a dozens of times. Teenage is the period of time when you suffer from a lot of changes and it's perfectly normal to have a different body or to do things your own way. If you don't have a lot of friends and you are happy to be with your small circle, that's fine. If you are not good at sports or at something your friends are excellent at, that's also fine . There's no need to compare yourself with others. Everyone is unique in their own way . Body shaming is common once you hit puberty. People have their right to speak and you can not stop them. But you also have a right not to listen to them especially when you are the one being talked about. Ignore the sentences that criticize you. Instead prove with your deeds that you are capable to achieve anything. But just in case, If you are the person who talks about someone's physique or the task the person is not good at, then I will ask you to stop being that person.

Teenage years can be the most beautiful years of one's life with loving parents , encouraging teachers, fun around friends surrounded by. One only needs to remember that it does nothing to dwell on other people's comments. Stop being pessimistic and try to see the brighter side of the things. And ones you do that, you will notice that the 'glass - half- empty 'turns out to be 'glass -half- full'.

AN EX SARAFIAN AS A YOUNG POET

Poem Dabur who passed out class XII in 2021-22, composed a book. This book contains 25 Poems mostly in English, leading to a phenomenal way of living a delightful life. By offering happiness, love, joy and hope, the poems encounter the matter of daily life of an ordinary person with a lot of diversity from healing of the Earth to nation making or from a friend to a mother. The lines are full of depth which by the end makes a complete sense. The poet has vividly represented all her views on different races of life, made by human race. And claims that Life Is Beautiful, if you happily live it by responding to it with a positive attitude.

अपने...

जिसने की तुम्हारी सफ़र उसै कभी ख़ल सत जा
अपनों की आशा तौड़ सत जाना,
लौसा तौ अपना रंसा बढलते रहते हैं,
लेकिन अपने तौ अपने ही होते हैं,
हस सोचते हैं कि वो हसे नकारते हैं,
लेकिन उसके पीढ़े का राज हस नहीं जानते हैं,
हस यहि अपनों से छू जाए वो सनारगे जरूर,
लेकिन लौसों का क्या भरोसा दौड़ जाएंगे वो,
अपनों की अहसियत ससझा करो,
उन्को कभी अपने से दूर ना करो,
लौसों का क्या भरोसा तुम्हें धोखा दे जाएंगे,
लेकिन आखिर से अपने ही कास आएंगे।

बचपन

ये बचपन है बड़ा सुहाना,
सुनते है हम बचपन बड़ा नादान होता है।
नन्हे - नन्हे हाथो से बड़ी शौतानी करते,
माँ हमे खाना खिलवाती,
पापा हमे खिलौने दिनाते।
गते रहते - हसते रहते यह ही बचपन का है खेल,
सुस्मी - पापा को परेशान करते,
टोटी - टोटी करते माँग।
तब भी हम खते मार,
पर फिर भी लौसा क्यों कहते,
ये बचपन है बड़ा सुहाना।

Less And More

If you read less and write more,
If you talk less and think more,
If you play less and read more,
There is no doubt, you will succeed for sure.

If you eat less and chew more,
If you waste less and save more,
If you ride less and walk more,
Believe it, you will be healthy for sure.

If you blame less and praise more,
If you hate less and love more,
If you order less and obey more,
It is true, each one will love you for sure,

CHILDREN'S DAY CELEBRATION

"A child can always teach an adult three things: to be happy for no reason, to be always busy with something and know how to demand with all his might what you want."

Children's Day is celebrated every year on November 14 in India to commemorate the birth anniversary of Pandit Jawaharlal Nehru, India's first Prime Minister. Just like previous years, this year too, SPS acknowledged Children's Day with great zeal. We had a joyous celebration of the much-awaited, Children's Day in a very jolly manner. To make the day memorable, the teachers conducted a special morning assembly. They went up to the stage dressed themselves like students in their school uniform and started the daily morning prayer. Further, the teachers showcased many programs such as act and dance performances to make the students enjoy their day. The celebration ended up with a 'Teachers vs. Students Tug-of-War Tournament' which was a sight to see! The students were really thankful to their teachers for making their day so unforgettable.

EDUCATIONAL TOUR AND PICNIC

EDUCATION TOUR TO AGRA, FATEHPUR SIKRI & JAIPUR

Education is to impart knowledge to students. Students gain knowledge and upgrade their skills by using the concepts they newly learn. Educational tours play an important role in educating students in a practical and interesting manner. Something that is seen in real can be easily perceived than something that we simply read in book. So taking students to trips related to their academics can help them learn much better. Educational tours can also be a way to fun and recreation.

The basic reason for educating students is to let them know more and dig deep into many concepts and explore them. This cannot be fulfilled only with the help of text books and classroom learning. So, SPS organised an educational tour to Agra, Fatehpur Sikri and Jaipur for the students of classes 8th to 12th to make them know more in detail about the Indian history. The tour was organised under the supervision of an expert tour operating company "Ritu Tours & Camps" which arranged good guides at all the places to explain the things properly to the students so that they could learn the historical facts more effectively.
